The accommodation at Hillview Villas is a range of beautifully appointed, fully self contained units, with either two bedrooms or two bedrooms and a study. The Village is located in the beautiful country town of Bunyip with many of the units having stunning views. At Hillview Villas you can live independently while contributing to the community environment. At the same time you are in close proximity to 24 hour assistance from the nearby residential aged care facility if you need it. Lifestyle, security and community for seniors.

Bunyip is just off the Princes Freeway in West Gippsland. Major shopping centres and the attractions of Melbourne are in close proximity, but at the same time you are living in a beautiful country town and a bush land setting. Many different recreational pursuits are also very close by. The township of Bunyip will provide you with a range of services including a medical centre, banks, post office, modern new supermarket, lovely areas in which to walk and public transport. You will discover that Hillview Villas will offer you a lifestyle of peace and comfort. Your family will also be very pleased to come and visit you in this beautiful part of the world.
